| Items            |  |
|------------------|--|
| ILD-MDT phase I  | <ul style="list-style-type: none"> <li>The results of phase I were discussed briefly. The proofs have been approved for the manuscript and this will be out shortly. Naomi to circulate this once it is published.</li> </ul>  |
| ILD-MDT phase II | <ul style="list-style-type: none"> <li>Naomi reported that the protocol for phase II is almost complete and that a budget has been drafted. Neither the budget or protocol detail a solution for the hosting of digitized pathology images.</li> <li>The technical barriers around phase II were discussed. It was agreed that this project was interesting to pursue and the technical issues need to be overcome.</li> <li>Kevin reported that Bonnie Wang has been digitizing the University of Michigan cases and therefore the study is</li> <li>Naomi to update the group and organize a teleconference to discuss a platform for hosting digitized pathology images.</li> <li>Once this is complete, protocol and budget will be sent to sponsors of phase I as well as other potential sponsors that REG have begun talks with.</li> </ul> |
